

ACADEMIC MEMORANDUM OF UNDERSTANDING

Between

MOSCOW ART INDUSTRIAL INSTITUTE

And

SHANGHAI JIANQIAO UNIVERSITY

MOSCOW ART INDUSTRIAL INSTITUTE and SHANGHAI JIANQIAO UNIVERSITY sign this Academic Memorandum of Understanding (AMOU) for the development of academic cooperation in international education in areas of mutual interest and expertise. The collaboration established by this AMOU will enhance the intellectual life and cultural development at both institutions, and will contribute to increase international cooperation. To meet these goals,

MOSCOW ART INDUSTRIAL INSTITUTE and SHANGHAI JIANQIAO UNIVERSITY have agreed that in support of their mutual interests in the field of education and research:

- I. The two educational institutions may:
 - (i) Co-operate in the exchange of information relating to their activities in teaching and research in fields of mutual interest.
 - (ii) Promote and explore appropriate joint research projects and joint courses of study.
 - (iii) Invite each other's academic staff to participate in collaborative activities e.g. research projects, conferences and seminars, or joint publications.
 - (iv) Collaborate on the development of suitable training, development and exchange programmes for academic staff.
 - (v) Collaborate on the development of other opportunities for short courses, student exchange and other activities as mutually agreed in writing between the parties prior to commencement of such activity.
- II. Academic members of staff and other personnel of one partner institution may spend periods not normally exceeding one academic year in the other partner institution. In supporting such arrangements, all financial matters, including travel costs, salary payments and other compensations, are subject to individual negotiation, and will normally be the responsibility of the persons involved and their home institution.
- III. In the implementation of other co-operative programmes, a written agreement

covering all relevant aspects including funding and the obligations to be undertaken by each party should be signed before the commencement of the programme.

IV. Specific proposals for co-operation

The two educational institutions agree to:

- (i) Exchange detailed programme materials in order to determine the nature of recognition and equivalences to be agreed.
- (ii) Explore the opportunities for collaborative research between the two institutions.

V. The success of partnership in achieving a broad balance in the respective contributions and benefits of the collaboration will be periodically reviewed by both parties, at least once at the beginning of each academic year.

VI. This AMOU will take effect from the date of its signing and shall be valid for a period of five years unless terminated, revoked or modified by mutually written agreement between the parties, and may be expanded upon by mutually written agreement. Either party may terminate the Agreement at any time during the term by the provision of three months of written notification to the other party.
